Class of the Week - 2S

Message from the Principal

This is our last newsletter for the year, so I would like to thank you for your support of our school and our students throughout 2019. As you are aware, there has been and will be many activities occurring over these final days. These include:

Year 6 Formal

On Monday night all of Year 6 attended their farewell dinner dance at Warilla Bowling Club. The Farewell ran smoothly with tasty food, fabulous decorations and a farewell cake. All students will receive a small memento pack which included a USB drive with photos from the night. A huge thank you to Mrs Rose and her team of teachers for organising the night.

Rewards Day

The students participated in a water rewards day today. The ninja warrior course was enjoyed by all and was a great way to celebrate a wonderful year of student behaviour and academic achievement. Thank you to Mr Sherlock for organising these wonderful days.

Presentation Assembly

This, as always, is an amazing event with recognition of students' academic performances throughout the year. I would like to thank all teachers for their work in organising this along with our Support Staff in the Admin Office and also our Learning Support Officers. Congratulations to all the award winners on such a successful year.

Playground opening

There is certainly a buzz in the air about the possibility of the new playground being opened. We will have an official opening on Monday at 2pm and we encourage you to come along. The playground is the result of a huge amount of work from the P&C, the school playground committee and Mrs Carroll. The playground looks amazing and will be another fantastic facility for students at Shell Cove PS.

Farewells

I would like to acknowledge and thank the following teachers who will be moving on to other schools in 2020. Mrs Bell, Mr Piper and Mr Morley will all be leaving Shell Cove at the end of this year and we wish them all the best in their future.

We will also say farewell (for a while) to Mrs Carroll who will be on maternity leave for semester 1 next year. We will miss her deeply but know she will love being a mum at home! We wish her and her family all the best for next year.

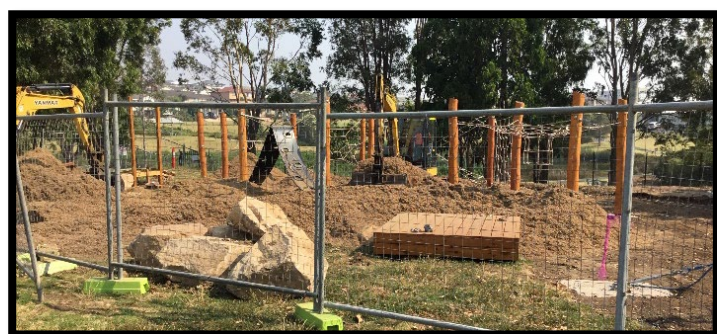

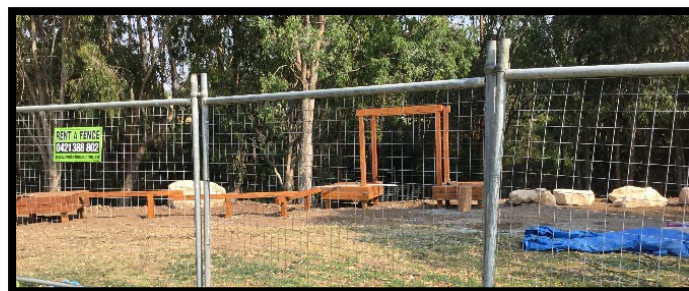

Finally, to our amazing school community. I hope you have a wonderful Christmas break with your family. Enjoy the wonderful community facilities we are fortunate to be surrounded by. Be safe, be kind and be happy.

See you in the water!

Shell Cove Public
School Oval

On behalf of the P & C committee I would like to thank the staff of Shell Cove Public School, the parents and carers, and the kids that have so enthusiastically supported our P & C initiatives this year. The excited faces at the Mother's and Father's Day stalls, the fantastic response to our cookbook and the great excitement of the Colour Explosion made it an incredibly exciting and rewarding year. Adding to that was the implementation of the Ethics program that was coordinated by Belinda Margetts and has ensured that children have an option outside of traditional SRE during that time. It seems the time has been as rewarding for our Ethics teachers as it has been for the students. We also want to give a shout out to our dedicated banking helpers, Kim Pike, Tammy Miller and Sarah Shortland who turn up every week for school banking.

We have tried to improve communication between the P & C and our wider school community and we appreciate the feedback that we have received from you all.

Next year on Tuesday February 11th we would like to invite all kindergarten parents to Pippi's at Warrigal for tea and cake courtesy of the P & C. Please let us know if you can join us on pncshellcove@gmail.com for catering purposes.

On a personal note I would like to acknowledge the executive committee that has worked so hard this year. A huge thanks to Kim Varadjanin, Liz Thornton, Paul Christy, Cassie Schettino, Belinda Margetts and Vicki Fallavar for all you have done behind the scenes. It's been a pleasure working alongside you all.

May you all have a peaceful and joyous holiday break and I look forward to seeing you all in 2020.

School Travel – Term 4 2019

2020 School Travel Applications Now Open

Applications for student travel in 2020 opened on Friday, 11 October 2019.

Students progressing to Year 3 and Year 7 no longer need to re-apply if they:

- are continuing at the same school
- are residing at the same address
- have *not* been sent an expiry notification from Transport for NSW.

Where a student meets the new distance eligibility, the system will automatically update their entitlement. If they do not meet the new eligibility, they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If students need to update their information or re-apply, they should go online to

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before 31 December 2019 to ensure student entitlements are updated and their current entitlement/card is not cancelled. If their application is submitted after 31 December 2019, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2020.

Primary ETHICS

In 2019 we introduced Ethics classes during the scripture timeslot at Shell Cove PS. The goal in 2020 is to be able to have every student who has nominated Ethics to be able to attend a class. To do this we need more volunteer ethics teachers. Teachers receive full training through online modules and a comprehensive 2-day workshop. Lesson materials are provided. Suitable volunteers will have an interest in children's education and development of critical thinking skills and must be available Wednesdays 2 – 2:45pm and be able to commit to teach for a whole year.

Grandparents and other members of your family and friends' network might also be interested in volunteering, so please speak to them about volunteering.

Each week children discuss a topic from the approved Primary Ethics curriculum. Ethics classes include scenarios, poems and stories, group work and activities to encourage the children to think about what they should do in different situations, about how those circumstances might make a difference and about the consequences of their actions.

Children discuss topic such as:

- imagining how others feel
- how do we treat living things?
- what is laziness?
- how do we disagree in a respectful way?
- fairness

They are encouraged to think about the impact of their actions, not just on the people close to them, but also on the broader community.

For more information about the program or to view the curriculum please visit www.primaryethics.com.au or contact the Ethics Coordinator Belinda Margetts 0403126845 or bellmargetts@hotmail.com

Cookbook News

Our school cookbooks have arrived! If you have placed a pre-order they will be available for collection from the front office from Monday.

We have copies at the Front Office that can be purchased for \$30.00, and they can also be ordered via Flexischools.

Our P&C will have them for sale to the public at the December Farm's Market on Sunday 1st December, and The Waterfront Twilight Christmas Market on Thursday 12 December. If you are available to assist at either of these markets please let us know.

CANTEEN 2019 FINALE

Term 4 2019

As another school year draws to an end, the canteen is preparing to wind down the menu to ensure all stock on hand is used up. As stock runs out, we will update canteen signage, our Facebook page and Flexischools to keep you informed. Don't worry, we will ensure the basics such as sandwiches, and favourites such as pizza, wraps and chicken fingers will be available right up until closing date. Please note the last day for the canteen is Friday 13 December 2019.

Attached is our Summer Menu for terms 1 & 4 in 2020. To keep up with increased operational costs which were largely impacted by the drought this year, we have had to review pricing to ensure the canteen service remains viable. We do hope you can take advantage of the meal deals where savings can be made.

We are also planning to add a few pop-up meals such as meatball subs, Jo's Mild Chicken Curry amongst other things for the students to get excited about, so look out for these specials in forthcoming newsletters or on our Facebook and Flexischools pages.

Thank you to everyone for your continued support. A special mention to the Principal, teachers and staff, the P&C, Parent/Carer volunteers and student helpers. We have absolutely enjoyed another year being a part of the Shell Cove Public School community and sincerely hope that we have been able to meet your expectations in regards to the canteen service.

We look forward to getting back to doing what we love when we re-open on Thursday 30th January 2020.

Best wishes for a safe and happy Christmas & New Year!

Krissie & Team Canteen 😊
