Care for yourself, others and our school

2021 Term 2 Week 9

NEWSLETTER

Ph: 4297 2247

CHESS COMPETITION

We are so very proud of our Chess Teams! On Tuesday, 15 June 2021 they had their first competition of the year competing at Shellharbour Public School.

- Team 1 (Stage 3) - Almost placed second! They placed third and performed well.
- Team 2 (Stage 1) - Had some wins and losses but all enjoyed the day. They played a couple times with only a king left and they didn't give up and ended up with a draw through stalemate.

Thank you to Lauren Carr for transporting our teams and to Kim Petreski for transporting and coaching our teams!

Well done boys!!

MESSAGE FROM THE PRINCIPAL

Reports Online

The school is very excited to announce that we are going digital with reports this semester! This semester all student reports will be accessible via seesaw. All parents will be able to view and then print the document if they require. All student reports will be made available online on Friday, 25 June which is the last day of term two.

Attendance

As part of the school plan, we have an ambitious attendance target to reach. Part of the strategy has been to employ an attendance officer who is monitoring attendance and offering support to families when needed. As a result, our attendance is currently sitting at 93% which is an outstanding result. Thank you to all the parents who encourage children to come to school and support the amazing learning that happens here each day.

Pyjama Day

I am proud to announce that the SRC did an incredible job of raising \$547.30 for the Cancer Council! This was part of our pyjama day which happened on Wednesday, 16 June 2021. It was great to see so many people in cosy warm pyjamas at school, including our teachers!

Athletics Carnival

Despite the horrendous conditions with the wind and temperature, our athletics carnival went ahead as planned. It was an incredible sight to see so many students out participating in events, sometimes for the first time. There were a lot of amazing results and we look forward to sharing those with you at our next school assembly.

Congratulations to the students who will progress to the next level and represent our school. Thank you to all the parents who ensured their child came to school and stayed at the carnival all day it was a great whole school event!

Our new school shade shelter will be used at the district carnival and it looks amazing.

Spelling Bee

On Tuesday, 15 June 2021 I had the privilege of listening to our spelling bee finals here at school. The students did an incredible job of spelling some challenging words and it was a credit to the soundwaves program that is currently being implemented in our school. Children were spelling words well beyond their age expectation and I wish the students who are representing our school at the next level all the best.

End of term activities

Term two is almost over and it has been an incredible term. We still have lots of exciting things happening in the last week of school.

Our library will continue to be upgraded with some new storage cabinets being installed on Monday, which will make this learning space an incredible addition to our school.

On Wednesday the P&C Pie Drive will be delivered. Thank you to the P&C for this amazing initiative!

Friday, 25 June 2021 is rewards day for our students. I have something exciting planned for all grades to celebrate our incredible student behaviour, achievements and manners.

Well done everyone on a great term!

Simon Webb
Principal

TOA MOVES

WINTER RETREAT

This day has been intentionally created for you to unravel from the hustle and bustle and escape to the sacred oasis. The Pavilion is nestled in the heart of Kiama and has Panoramic views of the ocean.

We start the day with an awakening and energising yoga class that is suitable for all levels. The closing of that class is a 30 minute rest to rise meditation that will using gorgeous essential oils

Morning tea is time to connect and share some delicious and wholesome treats.

Next up is Gia Stewart who has a Bachelor's degree in nutrition science & a masters of Nutrition & Dietetics.

Gia will share her knowledge and vision on the power of food as a medicine and its overall profound effect it has on the mind and body.

Next guest is Lexy Maturana who is a Vocal Alchemist and Creative Breathwork Practitioner. Lexie will be guiding on a breath work journey that is intentional and amazingly simple but can deliver profound results and will create a sense of peace and clarity.

Lunch is free time to venture out and explore the many electric and quirky cafes in Kiama.

Next I will introduce you to the five bodies of awareness. The physical, energetic, mental, wisdom and bliss body. These bodies are like a road map to wholeness. When these bodies are clear you feel more peaceful, tranquil and have a higher vibration.

To seal the day Experience The Magic of Yoga Nidra. This is a guided meditation where all you need to do is lay down, get comfortable and let the meditation do the work. Yoga Nidra brings complete physical, mental and emotional relaxation.

Cost \$150.00

South Coast Child Wellbeing Network Conference 2021

Tuesday 7th September 2021
The Pavilion, Kiama

Cost
\$70

To treat all of Australia's children fairly, we need to make sure every family and community has what kids need to thrive and be healthy.

In celebration of Child Protection Week, we welcome clinicians and other professionals who work in the field of child wellbeing and protection to our annual conference.

This year we are excited to feature our Keynote Speaker, **Dr Cathy Humphreys** as well as **Kate Piromalli, Sue Buratti, Deanne Dale, Kimberly Chiswell, Fiona Beale and Samantha Lukey** who will be presenting fantastic workshops.

**Buy tickets at www.sccwn.org.au/conference2021
Closes Monday 30th August 2021.**

Dr Cathy Humphreys

www.sccwn.org.au

**Child Protection Week
5 - 11th September**

Email: shellcove-p.school@det.nsw.edu.au
Website: <https://shellcove-p.schools.nsw.gov.au>

Keynote Speaker

Cathy Humphreys is Professor of Social Work at University of Melbourne. She is co-chair of the Melbourne research Alliance to End Violence Against Women and Their Children (MAEVe). Over the last 5 years, she has worked on four projects with the Safe and Together Institute using practice-led, action research through facilitated multi-stakeholder workshops and Communities of Practice. This approach reflects a profound interest in knowledge translation to ensure the support of practice through research.

Workshops

Kate Piromaalli is a senior Occupational Therapist currently working at the Autism Advisory and Support Service. Kate has fifteen years' experience in the child and family mental health sector, supporting children, families and communities with a range of vulnerabilities including developmental trauma and Autism Spectrum Disorder.

Sue Buratti is the Senior Manager for Therapeutic Services NSW for the Australian Childhood Foundation. She has provided therapy, supervision, training and consultancy, with a predominant focus on childhood trauma and its impact across the lifespan. Her workshop '*Trauma Sensitive Case Notes; The story of a child well loved*' focus on the push towards a more trauma-sensitive approach in the way in which we therapeutically support Children and Young People who have experienced abuse and trauma. How we write about them must also change.

Deanne Dale and Kimberly Chiswell have over 50 years experience, combined, in Social Work. Their workshop will explore and contrast the ethics of individualised 'child centred practice' with a collective ethics where children and the socio-political, cultural and community contexts of their lives are at the centre of our understanding and practice. They will also explore how we can enact our preferred ethical stances in finding solidarity (points of ethical connection) with others and how this can be an effective response at times where we feel like we are exhausted or feel spiritually and emotionally spent and demoralised by our work contexts.

Fiona Beale is a Senior Occupational Therapist and DIR Floortime® Practitioner with 30 years' experience working with young children. She is currently working with Noah's Inclusion services in the Illawarra region. Fiona is passionate about giving every child the opportunity to feel emotionally connected and to develop a sense of self-worth and confidence in their early years.

Samantha Lukey has worked in the community services sector for 34 years. She is an Accredited Mental Health social worker working independently as well as holding a lecturing and tutoring role at the University of Wollongong. She has a particular passion and interest in Trauma-Responsive Practice and is currently completing doctoral studies in this area.
