

# BYOD PURCHASING for 2024

***It's that time of year again - 7 weeks until Christmas!***

If your child is going into Stage 2 (Year 3/4) or Stage 3 (Year 5/6) they will need to bring their own device to school, fully charged each day.

We have set up a purchasing portal with Educom and we suggest students either purchase a Chrome Book OR iPad (with keyboard and case attached).

If purchasing an iPad, students will need to download all required APPs and they will need their own Apple ID. All of this information can be found on our BYOD Note (see below).

Link to BYOD Policy (for device and APP requirements)

**PLEASE NOTE:** You do not need to purchase a NEW device, this is optional. Students can bring in an older device if it meets the requirements outlined in the Student BYOD Agreement and Policy. The school does have a small number of shared devices, which are shared between 5-6 classes at a time, so they are not always available for lessons.
