

School Supplies List 2023

Dear Parents/Carers,

Each year we send out a supplies list requesting that our families support the school so that we can successfully deliver quality programs to our students. Unfortunately, we do not get funding to pay for all student supplies. Below you will find a list of items we are asking each student to bring. Some items may need replenishing throughout the year, however, classroom teachers will send out a note if this needs to happen. Please ensure all items are clearly labelled with your child's name and class.

Please also note, all resources are for student use. We do not ask our community to supply teacher resources.
